

INSIGHTFUL WEALTH-BUILDING TIPS FROM DAVE YOHO

Learn about investing. Do not invest in things you do not understand or just because someone gave you a "hot" tip. Take time to learn.

Get educated about investing and taxes. Part of wealth-building is not just making money, but keeping more of your money with proper tax planning.

Set up and fund your Individual Retirement Account (IRA) and a Simplified Employee Pension (SEP) to legally minimize your retirement tax bite.

Always save a portion of what you make. Never spend it all.

If you're going to be poor at any time in your life, it's better to be poor when you are young. You have time to recover!

Build a business that will impact future generations.

Work Hard! It creates character and dignity and is good for your longevity.
